Forget about those dogged eared, tacked or taped up menus. Present your menu to your customer in a classic fashion. Add flowers for spring, pine cones for fall or Holiday decoration to the box. Simply line the bottom with seasonal items to create intrigue and style to your menu. Innovations Services "Menu Exhibitor" will add that new dimension to your dining services program. This new product can be ordered in Oak, Cherry, Walnut or Mahogany. The Exhibitor comes with a lock and key and a choice a five separate colored matting to signify the different weeks. Frame size 18x24.

The exhibitor comes with five mattings for each week. Colors are red, white, black, gold, brown, tan, silver, green, blue, and gray. A template is formatted on the disc and your logo can be imported on to each week giving it that classic look you want. Make it professional, make it the Menu Exhibitor!

*Each exhibitor comes
with five matted frames for the different weeks
and over a dozen color choices*
